

Come and see what retirement looks and feels like

AT KENSINGTON RETIREMENT VILLAGE IN LEOPOLD

Whatever you want to do, where you choose to spend your retirement is just as important as how you spend your retirement.

Joe and Joy Longo have long since recognised the need to provide a quality, custom designed retirement village that focuses its attention on creating an atmosphere where retirees can integrate their social needs as well as maintain a sense of privacy in a safe, intimate environment.

With more than two decades of experience in care for seniors, the Longo family has worked hard to create a village that directly reflects the needs of retirees at a stage in their lives where comfort, a sense of place and belonging are paramount. Kensington Retirement Village encompasses these core values in addition to offering its residents a broad range of facilities which allows for social interaction in a number of different forums.

Kensington Retirement Village boasts a variety of facilities including a fully equipped gym, swimming pool, spa, sauna, cinema, lounge, pool tables, library, IT corner and coffee nook, a dining room to seat up to 100 people for functions, lawn bowls, croquet,
